Corporate Turnaround

**Dear:**  
**Anthony** [Redacted]

Without your help when my company wasn't getting paid its receivables, we would have had to close the doors we tried everything we knew how to make our overhead monthly.

After we contacted Corporate Turnaround, Anthony got the process started, we did everything he asked and things started to line up in order. It has taken a while but Corporate Turnaround works just as the company name says CORPORATE TURNAROUND.

I am grateful to Anthony and Corporate Turnaround, and recommend them to any company honestly wanting to try to meet their obligations and stay in Business.

**Sincerely,**
