Dear Corporate Turnaround Team,

There are no words to express how sincerely we appreciate your team's help in improving our financial situation.

Our special thank you is to one of your staff members, Adam [REDACTED], *Client Advocate*, whose professionalism in *debt negotiation & credit settlement*, as well as his dedicated customer care during the toughest times we have ever been through since 2014, helped us get our business debt bills paid!

Due to your program, we were able to avoid defaulting and focus on our business goals and success. We will certainly recommend Corporate Turnaround and its team to others.

Sincerely,

[REDACTED]  
Office Manager

Your company's results may vary. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers and others may be resolved later on, with settlements ranging from pennies on a dollar to payment in full. Until a debt is resolved, creditors may continue with their collection efforts, including phone calls and legal action. CT does not provide any legal services. Each restructuring has a unique combination of factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results.
