

Dear Corporate Turnaround,

It was a very scary time when our company owed over \$50,000.00 and the wolf's where at our door. We were very hesitant to call and ask for help. Though, when we did, we found Corporate Turnaround to be the exact company to help us out.

Adam Lang, our account advocate, put us at ease and assured us it would all be OK. He put his team, Tom Cospito, Richard Coviello and Mike Schackner, to work immediately. The phone calls and threatening letters stopped!! These debt managers were able to reduce the amount we owed from \$50,014.91 to \$30,561.02 and worked out a payment plan which OUR budget could handle. Not only did C.T. work their magic with our debtors and our budget, there was NOT a single time when we had a question or needed to know where we stood, that we weren't answered promptly. These guys went the extra mile to make sure we were comfortable with the arrangements they had made.

Not only did C.T. do all they said would do, they DIDN'T ask for any money up front. Their fees (which are very reasonable) were built right into the payments.

I would most definitely recommend C.T. to anyone who needs help with their business debts.

Thank you Corporate Turnaround for ALL your help!!!

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Until a debt is resolved, creditors may continue with their collection efforts, including phone calls and legal action. CT does not provide any legal services or legal advice.
